

2001-103
to NAB

Thru spotting scope
videotape clips of
one of
two subadults
seen on
Mollicy Unit
Upper Ouachita
National Wildlife
Refuge on
9 Dec 2001
by Mark Swan
and Bob Rickett

Bob saw an
adult fly close
overhead about
one week prior
in same area, ni
white at all.
The eagles were
chasing snow geese

GOLDEN EAGLE
